Veterans Day Message

Veterans Day is an official United States public holiday, observed annually on November 11, that honors military veterans; that is, persons who served in the United States Armed Forces. It coincides with other holidays celebrated throughout the world, including Armistice Day and Remembrance Day, celebrated in other countries that mark the anniversary of the end of World War I, which formally ended at the 11th hour of the 11th day of the 11th month of 1918, when the Armistice with Germany went into effect. The United States previously observed Armistice Day. The U.S. holiday was renamed Veterans Day in 1954.

But what many people don't know, is the religious significance of November 11th. November 11th is the feast day of Saint Martin of Tours, one of the patron saints of soldiers. Saint Martin was a Roman soldier who laid down his arms to follow the peaceful way of Christ, and becoming a monk, dedicated his life to serving the needy.

Advent, like Lent, used to be a 40-day period of fasting called "Quadragesima Sancti Martini" (Saint Martin's Lent). Because, Saint Martin's day fell the day before this fasting would begin, like Fat Tuesday for Lent, "Martinmas" as the day was commonly known, was a great day of feasting after the fall harvest and before Advent, and was marked with major celebrations, traditionally starting at the 11th hour. As was a centuries-old tradition in Europe, warring nations and parties who sought to end conflicts would sign their treaties on his feast day November 11 in Saint Martin's honor and in preparation for Advent. In accordance with this tradition, the official armistice that ended "The Great War" or World War I, was signed on the feast of Saint Martin during the 11th hour. To remember the nearly 20 million people who died in World War I, nations began holding a yearly moment of silence and prayer at the 11th hour on November 11th. These remembrances eventually turned into what we know today as Veterans Day.

Let us be grateful to those men and women, who have served in the armed forces for the protection of our peace and freedom. Veterans should hold a special abode in everyone's hearts and thoughts. They put their lives on the line to defend our way of life, they fight for our families, and leave behind their families. **Thank you to all our veterans! And May God continue to protect those who are still serving!**

Mensaje del Día de los Veteranos

El Día de los Veteranos es un día festivo oficial de los Estados Unidos, que se celebra anualmente el 11 de noviembre y honra a los veteranos militares; es decir, personas que sirvieron en las Fuerzas Armadas de los Estados Unidos. Coincide con otras festividades celebradas en todo el mundo, incluido el Día del Armisticio y el Día del Recuerdo, celebrados en otros países que marcan el aniversario del fin de la Primera Guerra Mundial, que terminó formalmente a la hora 11 del día 11 del mes 11 de 1918. , cuando entró en vigor el armisticio con Alemania. Estados Unidos observó previamente el Día del Armisticio. El feriado estadounidense pasó a llamarse Día de los Veteranos en 1954.

Pero lo que mucha gente no sabe es el significado religioso del 11 de noviembre. El 11 de noviembre es la fiesta de San Martín de Tours, uno de los santos patronos de los soldados. San Martín fue un soldado romano que depuso las armas para seguir el camino pacífico de Cristo, y haciéndose monje, dedicó su vida al servicio de los necesitados.

El Adviento, como la Cuaresma, solía ser un período de ayuno de 40 días llamado "Quadragesima Sancti Martini" (Cuaresma de San Martín). Porque el día de San Martín cayó el día antes de que comenzara este ayuno, como el Martes Gordo de Cuaresma, "Martinmas", como se conocía comúnmente al día, era un gran día de fiesta después de la cosecha de otoño y antes del Adviento, y estaba marcado con grandes celebraciones. , tradicionalmente a partir de la hora 11. Como era una tradición centenaria en Europa, las naciones en guerra y las partes que buscaban poner fin a los conflictos firmaban sus tratados en su fiesta, el 11 de noviembre, en honor a San Martín y en preparación para el Adviento. De acuerdo con esta tradición, el armisticio oficial que puso fin a "La Gran Guerra" o Primera Guerra Mundial, se firmó en la fiesta de San Martín durante la hora 11. Para recordar a los casi 20 millones de personas que murieron en la Primera Guerra Mundial, las naciones comenzaron a celebrar un momento anual de silencio y oración a la hora 11 el 11 de noviembre. Estos recuerdos finalmente se convirtieron en lo que conocemos hoy como el Día de los Veteranos.

Agradecemos a aquellos hombres y mujeres que han servido en las fuerzas armadas para la protección de nuestra paz y libertad. Los veteranos deben tener una morada especial en los corazones y pensamientos de todos. Ponen sus vidas en peligro para defender nuestra forma de vida, luchan por nuestras familias y dejan atrás a sus familias. ¡Gracias a todos nuestros veteranos! Y que Dios siga protegiendo a los que aún están sirviendo.

Joke of the Week Veterans Day

An elderly American gentleman of 97 arrived in Paris by plane. At the French customs desk, the man took a few minutes to locate his passport in his carry-on bag. "You have been to France before, monsieur?" the customs officer asked, sarcastically. He admitted he had been to France previously. "Then you should know enough to have your passport ready."

The American said, "The last time I was here, I didn't have to show it." "Impossible. Americans always have to show your passports on arrival in France!" The American senior gave the Frenchman a long hard look. Then he quietly explained.

"Well, when I came ashore at Omaha Beach on D-Day in 1944 to help liberate this country, I couldn't find any Frenchmen to show it to."

What does "Secure the Building" mean to veterans?

If you're a veteran, I can tell what branch of the military you were in based on how you understand the phrase "secure the building."

If you were a Marine you think it means to hit the building with mortar and machine gun fire.

If you were in the Army you think it means to go from room to room clearing them of enemy combatants.

If you were in the Navy it means to turn out all the lights and lock the door.

If you were in the Air Force it means to take out a five year lease with an option to buy.
